Our mission as a Catholic Multi Academy of nine schools in North Birmingham is inspired by the words of our patron saint, St John Paul II: "Be not afraid."

We are a group of two secondary schools and seven primary schools, employing over 500 staff and serving over 4200 children and young people.

In our vocation as educators, we strive to

Put Christ at the Centre of all we do so Gospel values underpin all areas of school life.

Provide an excellent broad and balanced education to help all pupils grow to their full potential. We have a particular commitment to inclusion and improving outcomes for the most vulnerable and disadvantaged in our communities.

Make a positive contribution to society through embracing, and acting on, Catholic Social Teaching.

Work collaboratively and in solidarity across all schools to achieve our Mission.

We can offer trainees strong, professional learning communities with recent inspections verifying the high quality of education provided for our students. Our staff have opportunities for ongoing personal and professional development, supported by a clear commitment to staff well-being. This means that trainees are supported by a network of experienced, enthusiastic mentors and role models across the multi academy who are able to model excellent practice.

Thank you for considering the St John Paul II Multi Academy Company for teacher training and we look forward to your application.
