

Gender Pay Gap Report 2023-2024

We are an employer required by law to carry out Gender Pay Reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017.

This involves carrying out calculations that show the difference between the average earnings of men and women in our organisation; it will not involve publishing individual employee's data.

We are required to publish the results on our own website and a government website. We will do this within one calendar year of April 5th 2023.

We can use the results to assess:

- The levels of gender equality in our organisation
- The balance of male and female employees at different levels
- How effectively talent us being maximised and rewarded.

The challenge in our organisation and across Great Britain is to eliminate any gender pay gap.

We collected our data on 5th April 2023 when our full pay relevant employee count consisted of 94 men and 358 women.

The Mean calculations give the following results:

Mean Pay			
Male	Female	Difference (£)	Difference (%)
£30.58	£24.12	£6.46	21.13%

The Median calculations give the following results:

Median Pay			
Male	Female	Difference (£)	Difference (%)
£31.33	£18.60	£12.73	40.63%

Gender Bonus Gap

As part of the Gender Reporting, we are also required to report on bonuses within the organisation. Within the reporting period, St John Paul II Multi Academy Trust has not paid any bonuses and therefore there is nothing to report on Gender Bonus.

Why We Have a Pay Gap

While we are confident that male and female employees within the organisation do have equal pay for doing equivalent jobs, we recognise that there is a nationwide gender pay gap within Education. Overall within the organisation, we employ over three times more women than men, and this continues to be impactful at the Lower, Lower Middle and Upper Middle quartile.

How We Are Addressing the Gap

As an organisation we remain committed to closing the pay gap. We will endeavour to explore the options in our recruitment strategy to attract more men to all roles within our schools. Whilst we are confident that the transparency of our Pay Policy empowers all employees to feel fairly paid, we will continue to ensure that men and women are paid equally for doing equivalent roles and provided with the same opportunities for career progression.
