

## Remuneration over £100k – 2023/2024

Multi Academy Trusts are now required to publish the number of employees receiving pay and benefits that exceed £100k.

St John Paul II Multi Academy takes its remuneration and benefits given to employees very seriously. All senior leadership pay is scrutinised by the Trust and an independent review of the remuneration of the Trusts most senior leaders has recently been undertaken. This has given the Trust an independent and objective view around remuneration of its senior leaders and of its value for money

For the accounting year 2023/24 the number of staff whose benefits (including pension) exceed over £100,000 was as follows:

Benefits Received	Number of Staff
